### UNIFORM STANDARDS:

Cadets in uniform shall be well groomed with footwear cleaned and shone. Their uniform shall be clean and properly pressed at all times. In particular, buttons, fasteners and zippers shall be kept closed. Pockets shall not be bulged; items such as glasses, sun-glasses, glasses cases, pens, pencils, key-rings or paper shall not be visibly extended nor protrude from pockets or be suspended from waist belts or pockets.

**NECKTIE:** Shall be knotted neatly using a Windsor or four-in-hand knot and shall be kept tight.

**TUNIC:** The sleeves of the jacket shall be roll-pressed with no creases. The tunic belt is worn so the excess of the belt, once attached, is on the left side of the buckle.

**TROUSERS:** The trousers shall be steam pressed without starch so as to have creases down the centre of each leg in the front and back. Creases shall extend from the top of the leg to the bottom.

**GREY WOOL SOCKS:** A cadet may elect to wear their own personal socks, grey or black, wool, cotton or nylon, in lieu of the grey wool socks received.

**PARADE BOOTS:** Shall be laced across horizontally from side to side. Must be shone to a high gloss. No varnish other than black shoe polish can be used to shine the boots.

For complete Uniform Standards see:

- CATO 55-04 – Air Cadet Dress Instructions
